

M65 & M65 SPORT

cut from
the world's
fastest pattern

Harley-Davidson M-65. The fun machine with serious intentions of staying ahead of the crowd. Sports a spirited 65 cc engine, Dellorto carb, and 3-speed Cascade-type transmission. What's more, all of H-D's winning ways at Bonneville have rubbed off onto our M-65. Small wonder, our "65" just keeps brushing the others aside.
